

Geomancy Group

Minutes of meeting held on 1.5.14 on Iona.

Agenda:

1. Sligneach costs.
2. Locations for the next 3 meetings.
3. Food at the meetings.
4. Case histories and questions.
5. Other Geomancy groups.

1. It was agreed that the group funds will pay for the cleaner at Sligneach, and the electricity bill, as we have eaten there most nights.

2. A number of locations were suggested for future meetings:

Cornwall.

Cirencester.

Shropshire.

Peak District.

Dorset.

Scilly isles

Orkneys

Scottish border.

Ireland.

It was agreed that the longer meetings were appropriate for The Scillies, Orkney and Ireland. After some discussion, it was agreed that we should have a longer event every 3rd meeting, so the next long one is Autumn 2015. It was then decided that we could go to Ireland then, and Kiarna agreed to recommend some sites, as did Sig.

The next meeting is October this year. The date seemed to be questioned, - is it October 3-5th, or 10-12th? This needs to be checked and agreed on. The location was agreed to be the Peak District, so suggestions for sites etc are welcomed.

The next meeting after that, Spring 2015, will be in Dorset. Dates have not been confirmed, or location, so suggestions please!

The other areas will no doubt come up next.

3. We discussed the food situation quite a lot. Guilia had done a magnificent effort for us on Iona, making sure we were well supplied with fruit and veg and meat. There had also been some stuff brought by Grahame and Ros and Sara, and Richard and Julie, and we all paid in a contribution to the cost.

However, we all felt that we need to work on this as we often end up with too much stuff, and over generous amounts of food that does not get used - there was a bag and a half of porridge left for example, - and so Ros and Grahame agreed to create a Food list that could be given to a Food Monitor for each event. This monitor is a rotating position, taken by someone for each event who can then be guided to get

what is on the list.

4. We discussed a house in Harrogate that Sara has been working on for a client who wished to sell. Various suggestions were made which could help this to happen.

Kiarna then told us of a situation she had experienced, when she was asked to do a {free} Blessing on a new pub. It was obvious to her that there was a massive chi inflow that was very disruptive, but the owner did not want her to work on it, and so she left it. The pub subsequently went bankrupt, and the owner divorced - disaster! We all agreed that he had not sake her to help, and that it was his karma to go through that experience, and learn a lesson in life. We also agreed that she was right not to do anything without being asked.

Sig mentioned a good new book by Elen Aviva, about what to do when visiting powerful sites.

5. A number of other geomancy groups were mentioned, though none seem to be like us....!!!

Elyn's spanish friend's group.

17 bio-geomantic groups in France.

Feather group, - sorry, can't remember his full name?

Cheryl Straffon' s group.

It was agreed that it would be nice to make some internet links with them.

That is all I got folks, hope it helps you remember it all! Please forgive any mistakes, and let me and everyone else know about them....
