

Upcoming Events, 2002

We note that there is a very full calendar of events coming up over the course of the year and have therefore provided a separate Events Listing. These are simply events of which we are currently aware; there are undoubtedly many others that we've missed. Similarly we cannot guarantee that all of these events will proceed, or indeed, the quality of the material presented. It would be very helpful if you could ensure that Maria (UK contact details) and Grahame are on any relevant mailing lists so that we can ensure the group is fully informed of events that might be of interest.

Maryrose has informed us that she is involved in setting up a Gildas group in Oxfordshire. She has worked with Ruth and Gildas for some years and holds them both in high regard. For further details, call Maryrose at home on 01993-813 662 or check out the website at www.ruthwhite-gildas.co.uk.

Summer Camp

Unfortunately it looks as though Grahame's Pagan and Geomancy Camp will not now take place, at least not in the format originally intended. We might like to consider joining an Oak Dragon or other camp instead at some point in July or August. Otherwise we could consider having a small family camp of our own, possibly at Beech Hill, Richard's place.

Oak Dragon

"FLYING THE DRAGON

From Duality to Infinity and Beyond! Gloucestershire, 9th - 18th August 2002

Adults £108, Children (5 to 16 years)£45

Join us on a magical ceremonial journey exploring the mysteries of duality and questing for the next step, a Middle Way that transcends the conflict of opposites. During our journey we will take a fresh look at the dualities around and within us [e.g. light/dark, feminine/masculine, seen/unseen], looking for new ways to harmonise these energies, empowering ourselves to collectively create our realities.

Within the Sacred Space created we each join the quest in our own way, choosing from the inspiring workshops provided by experienced teachers, exploring the opposites within the Wheel of the Year, Moon Cycles and the Zodiac Circle; harnessing the energy of wholeness that these symbolise; discovering from among the myriad expressions of duality ones that have special meaning for us at this time, through Pathworking, Myth Telling, & Journeying to the Otherworld.

In creating our own magical objects, masks, costumes in a shamanic way, we will unlock our potential for completeness, culminating in a collectively created ceremony and a celebratory evening of feasting and music. All this interwoven with fun, laughter, drumming, singing, dancing, labyrinth building, rituals and rites of passage.

To enable us to take this journey together we would like everyone to arrive in time for the opening circle on Saturday afternoon (10th) and to be able to stay for the duration of the Camp.

JOURNEY TO WHOLENESS Gloucestershire 21st - 25th August 2002

Adults £50, Children(5 to 16 years) £25

On this Journey to Wholeness, the stepping stones for the adventure include shamanic journeying with Simone Silver Path; an opportunity to find our Spirit Teachers and Totem Animal Guides, vision quest, making flower remedies from plants on the site, making magical objects in a ceremonial way, fire ceremony, meditation, lucid dreaming, Spirit Drumming and various types of healing. All these tools can help us in the quest for perfect balance and wholeness.

We will touch the Earth and feel the Sky while learning our Sacred Walk. This connection is possible as we camp on a very special site, next to woods full of deer, hare, badger and buzzard, who add to the joy of this experience.

Join us in discovering things that are as yet unknown.
